Zafira

make the world adjust to you

Zafira Club shows what can be achieved with clever thinking. All that dynamic driving experience, interior comfort and built-in seven-seater flexibility– but with sharp styling, cool interior finishes and impressive safety features.

This brochure covers Club models only. Some of the images shown include options and accessories available at extra cost. We may also offer alternative Zafira models such as Special Editions. So for all current model or equipment details visit the Opel website: www.opel.ie

real comfort wherever you sit

Zafira's design themes move effortlessly from outside to inside with a driver-friendly facia and high quality interior finishes throughout. And while it's easy for the driver to get comfortable, this is a car designed to make travel easy for the whole family. So it's light and spacious, comfortable and clever – wherever you're sitting.

space for a quality lifestyle

This is what versatility looks like. And it's all down to clever design – Flex7® seating, adaptable luggage space and plenty of smart storage ideas for all your essential travelling kit.

Life is better on the move

Think Zafira. Think advanced diesel engines and chassis technology. Two common rail turbo diesels – both brilliantly efficient with an impressive spread of power, and out on the road, a reassuring sense of control, helping you feel relaxed and secure under any conditions.

Efficient diesel engines. Zafira's two turbo diesel models – a 1.7CDTi 16v (110PS) ecoFLEX and 1.7CDTi 16v (125PS) have CO_2 emission figures of only 134g/km. Not only do they save you money with lower vehicle tax, but they do so without compromising the excellent driveability and performance Zafira is renowned for.

Six-speed. Zafira Club comes with a six-speed manual gearbox as standard on both diesel models.

	Performance		Fuel economy (litres/100km)#			CO_2 emissions (g/km)
	Power	Torque	Urban driving	Extra-urban driving	Combined figure	
Diesel						
1.7CDTi 16v ecoFLEX	110PS	260Nm	6.1	4.5	5.1	134
1.7CDTi 16v	125PS	280Nm	6.1	4.5	5.1	134

#Official Government Test Environmental Data. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

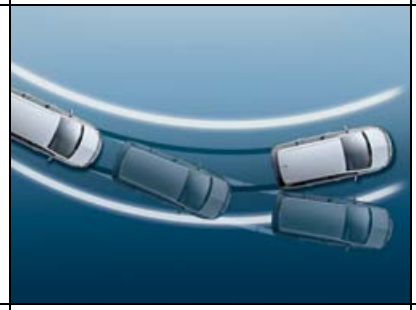
Intelligent, reassuring safety and security

Zafira has a strong reputation for safety and security, and with good reason. The Zafira Club features six full-size airbags and a chassis that is packed with active safety innovations that help you avoid accidents before they happen. Security features include remote control central deadlocking.

Non-specific model shown. For illustrative purposes only.

Remote control alarm system. The ultrasonic security alarm system features forced entry detection, along with tilt, movement and rear glass breakage sensors. Optional at extra cost.

Anti-lock Braking System (ABS). On its own, ABS is a huge benefit in emergency braking, but Zafira goes even further. Emergency Brake Assist (EBA), Electronic Brakeforce Distribution (EBD) and Cornering Brake Control (CBC) all make the car easier to control and stop under extreme cornering and braking.



ESP-plus. Especially useful on wet roundabouts and greasy roads or whenever a slippery surface catches you out, Electronic Stability Programme-plus (ESP-plus), senses if the car starts to slide on a bend and applies corrective braking to the appropriate wheels to help you regain control.

ISOFIX Child seat restraint system. The rigid ISOFIX anchoring mechanism virtually eliminates the dangers of incorrect child seat installation. You simply click the optional accessory Opel ISOFIX child seat into the mounting points engineered into the Zafira outer rear second-row seats.

Six airbags. Zafira protects you and your family with six full-size airbags. Specially developed to provide maximum protection, each model has twin front airbags, enlarged 'thorax-pelvis' front seat side-impact airbags and full-size curtain airbags too.

Keeping everybody happy

Zafira's Flex7® seating. It's not just about quantity. It's about quality too, making everyone feel comfortable – front and rear. Wherever you're sitting, you'll be amazed at what Zafira Club has to offer, whether it's features like air conditioning or clever storage space for all your bits and bobs.

Quality sounds. The Zafira Club features a quality CD/MP3 CD player/ stereo radio complete with steering wheel mounted audio controls and an aux-in socket as standard. What's more, with a DAB digital radio option now available at extra cost, you can enjoy digital quality sound together with a broader range of stations.

Mobile phone system with Bluetooth®*. With the mobile phone system, your phone interfaces with the audio unit, for operation via the steering wheel controls and facia display. Bluetooth® wireless technology with voice activation is included.

Cruise control. The easy-to-use, tap-up/tap-down cruise control is optional. It allows you to maintain a steady speed without keeping your foot on the throttle. So it's more comfortable on long journeys and easier to keep to speed limits too.

**Please refer to the online Opel Car and Accessory Price Guide for a list of phone-specific cradles.*

Touch and Connect. An intuitive touch-screen navigation system complete with USB connection and Bluetooth® facility is optional at extra cost. The perfect in-car multimedia solution. The Zafira's sophisticated system packs all the latest technology:

- Five-inch touch-screen colour display and steering wheel control for easy, intuitive operation
- Dynamic navigation with bird's eye view map
- Navigation data for 28 European countries on SD card
- CD/MP3 CD player
- Aux-in socket and USB connection with full control and browsing capability for portable MP3 players
- Bluetooth® wireless connectivity for hands-free calling and audio streaming with detailed track information on display
- Four x 20 watts per channel output and six premium speakers.

Versatile load space. When you're not using Zafira's third row seats, there's no need to remove them completely. Each one folds down separately, flush with the load floor. Add the optional FlexOrganiser® pack, and you've got the smartest, most versatile way to manage your load area ever!

Air conditioning. It makes for a fresher interior atmosphere all year round, with chilled air on hot days and faster demisting when it's damp. Move up to the optional Electronic Climate Control and you can maintain the interior temperature to within a single degree.

Multi-function trip computer. This invaluable driver information system provides instantaneous and average fuel consumption, fuel consumed, average speed, distance travelled and range based on fuel remaining.

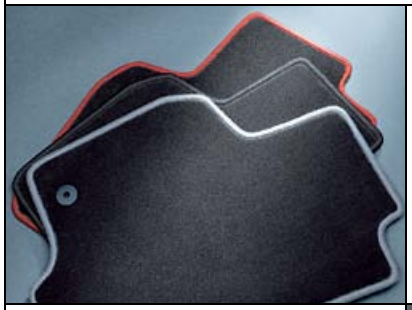
Genuine Opel Accessories are the right choice for your Zafira Club. Whatever you're into, there's certain to be an Opel accessory with your name on it; all fitted by trained Opel professionals. We've only featured a small selection of what's available here, so please check with your Opel dealer for accessory availability information.



Floor mats. A range of floor mats including rubber, velour and deluxe velour are available for your Zafira. Each come with their own fixing points which help keep them firmly in place. The rubber mats are available as a front pair or set of four rears whilst all other variants are supplied in sets of six.

Base carrier. The Opel roof rack system begins with a base carrier. It comprises two T-track bars which support a wide range of attachments from Thule including bicycle carriers and a choice of high-capacity roof boxes (available separately). Each carrier is supplied with locks for security.

Rear parking distance sensors. Activated automatically as you select reverse, this clever system beeps faster the closer you get to an obstruction, changing to a continuous tone at 300mm away.

Dog guard with space divider grid*. Designed to fit Zafira models, the heavy-duty steel dog guard helps keep your pet secure and protects passengers in the event of sudden braking. The space divider grid (sold separately) allows luggage to be stored on one side, and the dog to travel on the other.

**The space divider grid can only be used in conjunction with the dog guard. N.B. Dog guard requires fitting kit (dealer-fit only) if vehicle is not equipped with the optional factory-fit vertical load restraining net.*

1.7CDTi 16v (125PS)	2175	1400 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel retailer. They are designed specifically for Opel models and carry a 12-month guarantee.

Opel Service.

Europe-wide Customer Service.
Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.
2-year new vehicle warranty. This warranty applies to any new Opel car for a period of 24 months without any mileage restrictions, as from the day on which it was either registered for the first time or delivered to the customer by the dealer, depending on which date comes first.

Opel Roadside Assistance.
This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.
Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.
With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.
Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.
